FROM GEOFFREY'S DESK . . .

As I write, we are in the middle of having some very heavy rains pass through our area. Some tornadoes have been associated with this system, and we want to keep all those affected in our prayers. As a matter of fact, out of an abundance of caution, our Ladies Bible Class did not meet today. And as you see in the box above, we **WILL NOT BE MEETING** tonight at the building either, out of an abundance of caution. As always, any time there is a change or cancellation of our meeting times, we will be getting the word out by phone and by text.

This past week, I was away in Malibu (yes, someone has to be there) for a week of *Harbor* (the new name of the *Pepperdine Bible Lectureship*). All the keynote lessons for the week were based on the book of Hebrews, and in addition to that, a dozen or so classes were offered each hour. I am always thankful to be able to take advantage of the opportunity, and I appreciate **Mike Hartsell** preaching in my absence.

This coming Sunday is Mother's Day, and in my lesson, I will be talking about the story of a mother who demonstrated extraordinary faith during an encounter with Jesus. I know that several of you may be traveling to be with your own mothers, and if that is the case, we pray for safe travels. I will look forward to seeing everyone else on Sunday morning.
