They are coming all the way from *Pepperdine University* in Malibu, California, and they will be presenting a program in song. We will also be hearing a message from ***Taft Ayers***. Taft graduated from *Freed-Hardeman University*, and many of you may have heard him on WAY-FM. **Our regular classes WILL NOT MEET**, and everyone will assemble in the gym from **6:30-8:00**. In conjunction with the week, we are collecting 1000 items for our Food Pyramid for the Well. We are already two-thirds of the way to our goal. Help us out if you can.

Lylewood Christian Camp summer sessions have already begun. Middle schoolers are there right now, and next week is high school week. I know that many lives will be blessed because of what happens there. Let's keep this work in our prayers.

Finally, our sympathy goes out to ***Robert, Megan, and Avery Kent*** in the death of Megan's mother, ***Becky Gatewood***. Her funeral will be at the Centerville Church of Christ (138 N. Central Avenue in Centerville) at **2:00 this**

Saturday, June 22. Visitation will be at the building **from 4:00-8:00 on Friday** and **from noon until 2:00 on Saturday.** Our prayers for comfort go out to the family.

Healing Hands International Seed Ministry

A couple of weeks ago, we packaged seeds for Healing Hands International to help fight hunger around the world. Here is a letter we received about the packages we assembled:

We distributed some seeds today in Tanzania that Trenton Crossing helped assemble. Some of those seeds were given to an orphanage that houses 35 children. The garden there is doing well, and your seeds are going to be used to start another section with 5 more rows to help give the children a larger variety of foods.

From Clint - HHI Hunger to Harvest Director:

Yes. It is truly a life-changing thing for them and me. There are sometimes no words to express the feelings and emotions involved. For them, they see someone giving freely. They see someone giving them seeds and the opportunity to eat something they haven't had in a while - plus a variety of options. They cannot see the amount of people

that are involved in getting us here and to the point of distributing the gift. For them to know that people around the world packed these seeds and prayed over them and prayed for the people that were to receive them - it's a joy for all of us!

The pictures are of different gardens in the Endamarieki Village, Africa. This area also has a great Women of Hope program. Seeing it was unbelievable! Women who sell clothing they make to support themselves, their families, and the church. Super cool!
