To our church family,

We want to thank you all for the many acts of kindness shown to us during Kara's ALS journey. We are so grateful for the countless prayers, the numerous cards, the delicious meals, the generous financial support, the ramp on her home, and the personal visits. Even on hers and our darkest days, we felt the love of Christ through this

church family. While our lives will never be the same and our hearts are filled with immeasurable pain, we know she is whole and healed and no longer suffering. Thank you for helping us to remember that and for continuing to lift us up in prayer. Our journey of healing will be a long one.

In Him,

Tim, Sherry, and Matthew Alsup

Colin Harris

We want to thank you and are humbled by everyone's expressions of condolences, flowers, food, and above all prayers in our loss of Eileen. You've helped more than you know in helping us navigate this loss.

Thanks seems so inadequate . . .Y'all are the BEST!
